**RTS n.º: 13**

Regulamento Delegado (UE) 2017/571 da Comissão, de 2 de junho de 2016, que complementa a DMIF II no que respeita às normas técnicas de regulamentação sobre a autorização, requisitos de organização e a publicação de transações no que respeita aos prestadores de serviços de comunicação de dados

**ITS n.º: 3**

**Question:**

*As an ARM and in the scope of its service, we need to do connectivity testing namely with CMVM and to be informed if there is any additional requirement regarding this activity.*

**(08.08.2017)**

**Answer:**

The CMVM is currently preparing an IT infrastructure to address the issue, notably regarding ARM and other DRSPs' connectivity (RTS 13/ITS 3). The CMVM intends to launch a testing period, at the earliest convenience, which shall be adequately announced when available.

**Update (09.08.2017):**

CMVM intends to open its IT systems for tests at the beginning of October 2017. CMVM expects to disclose the starting date for these tests until 15 September 2017.
